Last Wednesday, the B-Cubes closed their activities for the year. Payment of old bills was discussed and all other old business was taken care of. Tuition scholarships for next year were awarded to two girls who were nominated for their outstanding scholarship and activities. Mary Derooin and Marian Kozak were the girls chosen, with Welles Henderson and Dona Officer as alternates. Other girls nominated were: Jessie May McQueen, Jean Fisher, Carma Murdock, and Janet Austad. As the meeting came to a close, the girls performed their last ritual of the year, taking down their faithful B-Cube meeting sign, and burning it outside to the strains of "So Long, It's Been Good to Know Ya."

Weekly Wisdom

By Cleon M. Kotter

Let us as students be guilty of shutting our eyes and closing our ears to a knowledge of truth, let us take stalk of our minds when weighing a matter of controversy and ask ourselves: Is our judgment the result of honest consideration and investigation or is it an opinion based principally upon prejudice and pre-conceived notion?

Scriptural Wisdom: Prove all things; hold fast that which is good. (I Thessalonians 5:21)

To Each His Own

As sophomores were getting measured for caps and gowns last week, the fact that this school year is rapidly drawing to a close was brought more strongly to us. Soon the sophomores will be marching up that platform to receive their rewards for the work (most have worked) which they have done in the two years they have been at Boise Junior College. To many go congratulations for a job well done; to others—well, they did as they wanted, so—to each his own.

We had guests again this weekend. Nineteen journalism majors from the University of Idaho were our guests for Friday and Saturday. The students were in Boise to put out the Sunday edition of The Statesman as part of their final work for the year at the U. Those who stayed with us were: Eleanor Anderson, Lois Bush, Sheila Jonssen, Virginia Oragem, Gloria Bodrann, Ginger Jones, Beverly Knapp, Mariul Schaffer, Pat Dysen, Don Theophilus, Carl Klages, Stan Riggers, Don Handy, Graham McMullen, Ken Cornher, Andy Lozier, Jerry McKee, Burt Johnson and Carr Christians. We enjoyed having you stay with us, come back again.

Next weekend we will have more journalism majors as our guests. This time it will be the students from Idaho State College at Pocatello.

Also next weekend there will be 44 seniors from Wendell high school staying here for two nights. They will be on their senior sneak. Let's be sure to show them what a super school we have here and how much fun we have. OK?

Last Wednesday was our last night at the USO. Since this was sort of a special evening, the girls dressed up for the occasion. Those attending were: Gloria Johnston, Luck Spackman, Delores Coffman, Maggie Bailey, Diane Hushcke, Billie Lou Mieser, Barbara Moulton, Bonnie Johnson and Virginia Worley.

In closing I have one last thing to say—what caused Bill Gottenberg to sing the night before his birthday? Could it be Charlie Parker had him seeing "White Horses"?

It won't be long before we will go our separate ways and in many cases never see each other again. We are at this time beginning to really know and understand each other and then all at once we have to part, go our way, make new friends and start over again. Such is the life when we live in a dormitory.

As we all know, spring is here, bringing along with it a great deal of unrest. The boys here in the dormitory are full of "devilment" at this season and it is hard for us to concentrate on studies or anything else.

Mrs. Forter was gone Thursday and Friday to McCall where one of her voice students, Myrtle Seibe, presented a recital.

Merlin Howard has finally joined our presence again after returning from a baseball training camp for the Magic Valley team of Twin Falls.

Welcome back, stranger.

News from P.E. Dept.

During the week of June 2, a Learn to Swim week will be held at the YMCA in downtown Boise, and instructors are needed to help teach the youngsters to swim. There will be classes from 1 to 4 in the afternoons, and the instructors will be staggered, so that they will not have to teach continuously. All those who have experience and are interested may see Miss Mildred Taylor about donating their time to this worthy cause. It is recommended that those applying have taken a life-saving course.

Not long ago, the IK National Convention was held at Moscow, and B.J.C. was honored to have three of its IK's elected to national offices. They are, above, from left to right, Bill Moulton, Royal King; Ray Baptie, Royal Viceroy, and Gary Collet, National Secretary.

You got me there. But I do know the women with the best figures learn the facts much quicker.

The Coyote pack from Caldwell once again nipped the heels of the Boise Broncos by a 7-6 score. The Coyotes took an early 3-0 lead but Boise soon overcame this lead to stay just one jump ahead of the Coyote fangs. The game went into an extra inning but Caldwell scored a run in the tenth to win the game.

Hot Game

The Phi Sigs have challenged the I.K.'s to a softball game. The game will be held Tuesday noon. The winning club shall be rewarded. These two clubs have played each other in various sports this season. This may prove to be their last meeting this year so it should be a hot game.
